A COUPLES' RETREAT

Making Deposits into Your Spouse's Emotional Bank

FEATURED SPEAKERS
**Dr. Bruce and
Karen McCracken**

All of us have an emotional bank. We either feel loved and secure, or unloved and insecure. We strengthen our marriages by making regular deposits into our spouse's emotional banks. This weekend we will overview eight powerful deposits: love languages, encouragement, promises, oneness, spending time, integrity, touch, and spiritual connection that we can make into one another's "banks."
